In recognition of your time, following most of the shifts, Volunteers will get to see the stage performance of *The Full Light of Day*. *If you can give your time January 3-5, we will provide you with a ticket to the performance of your choice. A companion ticket can also be offered at a reduced price.

One of the three positions requires a hands on, timed interactive element during the experience (leading someone wearing VR headset), **volunteers with some performance experience preferred.**

General VR Duties:

- Practice and support people getting headsets on and off, adjusting for heads
- Support with headphones
- Provide quick tutorial on how to start the experience
- Ensure they are returned to the charging stations each night
- Gathering names & info from users, as they enter the installations
- Solicit feedback from folks, take photos of the event to document experience

If you are interested in volunteering, or are looking for more information please email Jamie King, Producing Coordinator: jamie@electriccompanytheatre.com, with the subject line "VR Volunteer" Let us know a little bit about you and which dates you are available for.
